harvest day: Towner (open-string voicings) + Lage (held voice, quiet practice).

1 · WARMUP

5 min · J = 60

Reset chord first — one voicing, **ppp**, let it die away. Then 3-per-string across **all six**, fingers 1-2-4: up legato, down staccato.

intention: quietly. let the guitar do the work. — Lage

2 · HANDS + VOCABULARY

6 min · J = 66

D Lydian, tuple 1, [3, -1], all 7 degrees. Fingerstyle: **p-i-m-a**, one finger per string, no repeats.

intention: the G# is the whole point of Lydian. don't soften it.

3 · EAR → HAND

5 min · J = 66

Sing first, then play. The #4 (G#) is the ear target — sing it against an open D drone.

intention: hear the #4 as bright, not wrong.

4 • HARMONY + VOICINGS

7 min · J = 60

Towner: open strings woven into fretted voicings — wide spacing, sparse low register. Arpeggiate each, let everything ring.

Chord voicings and bass lines for exercise 4:

- Measure 1: $D^{\Delta 9}$ (Treble: D, F#, A, C, E; Bass: 2, 0, 1, 0)
- Measure 2: $A^{sus4 add9}$ (Treble: A, C, E, G, B; Bass: 2, 0, 0, 0)
- Measure 3: $F^{\#m11}$ (Treble: F#, A, C, E, G, B; Bass: 0, 1, 0, 2)
- Measure 4: $E^9 sus4$ (Treble: E, G, B, D, F, A; Bass: 2, 0, 0, 0)

intention: open strings are colour, not convenience. listen to what rings on.
